Emergency Executive Order 20-79

Stays on evictions have been in place since March 2020 under Emergency Executive Order 20-14 and 20-73.

EO 20-79 is the current Executive Order suspending evictions and has been in effect since August 4, 2020.

It protects residential tenants from evictions from landlords, as well as post-mortgage foreclosure evictions, with some exceptions.

Also, residential landlords must not issue notices of termination of lease or nonrenewal of lease or terminate residential leases during the pendency of the peacetime emergency unless the termination or nonrenewal is based upon one of the grounds permitted by paragraph 2.

It remains in effect until the peacetime emergency declared in Emergency Executive Order 20-01 is terminated or until it is rescinded by proper authority.

Emergency Executive Order 20-79 - Exceptions

Paragraph 2 of the Order provides that this suspension does not include eviction actions where the tenant:

- a. Seriously endangers the safety of other residents;
- b. Violates [Minnesota Statutes 2019, section 504B.171, subdivision 1](#) (controlled substances, prostitution, unlawful use or possession of a firearm, stolen property or property obtained by robbery, and acts under [Minn. Stat. § 504B.206, subdivision 1, paragraph \(a\)](#) (domestic abuse, criminal sexual conduct, and harassment));
- c. Remains in the property past the vacate date after receiving a notice to vacate or nonrenewal under paragraph 4 of this Executive Order; or
- d. Materially violates a residential lease by the following actions on the premises, including the common area and the curtilage of the premises:
 - i. Seriously endangers the safety of others; or
 - ii. Significantly damages property.

Nonpayment of rent is not an exception.

Emergency Executive Order 20-79 - Exceptions

Paragraph 4 allows residential landlords to issue a termination of lease or nonrenewal of lease due to:

- the *need* to move the property owner or property owner's family member(s) into the property, and
- where the property owner or property owner's family member(s) move into the property within 7 days after it is vacated by the tenant.

Emergency Executive Order 20-79 - Writs of Recovery

Paragraph 5 states that all officers who hold a writ of recovery of premises and order to vacate must cease executing such writs as required by Minnesota Statutes 2019, section 504B.365, subdivision 1,

Exceptions:

- a. Writs designated as a priority execution under Minnesota Statutes 2019, section 504B.365, subdivision 2;
- b. Writs issued as a result of an eviction action judgment entered prior to the enactment of Executive Order 20-14 on March 24, 2020 at 5:00 pm;
or
- c. Writs issued as a result of an eviction action permitted by paragraph 2.

Paragraph 5 is not limited to residential rental eviction writs, so it also covers eviction writs for commercial tenancies and post mortgage foreclosure and contract for deed cancellations.

Emergency Executive Order 20-79 - Notice Requirements

Paragraph 6 added that all property owners, mortgage holders, or other persons seeking possession on grounds permitted by this Executive Order must provide a written notice of intent to file an eviction action to the tenant

- at least 7 days prior to filing the action, or
- the specified notice period included in the lease, **whichever is longer.**

Emergency Executive Order 20-79

Violations:

Pursuant to Minn. Stat. § 12.45, a person who willfully violates paragraphs 2, 3, and 5 of this Executive Order is guilty of a misdemeanor and upon conviction must be punished by a fine not to exceed \$1,000, or by imprisonment for not more than 90 days. The Attorney General may also seek any relief available pursuant to Minn. Stat. § 8.31.

Application:

- This Executive Order does not apply to properties on federal tribal trust land.
- Nothing in this Executive Order creates grounds for eviction or lease termination beyond what is provided for by Minnesota Statutes.
- Nothing in this Executive Order may in any way restrict state or local authority to order any quarantine, isolation, or other public health measure that may compel an individual to remain physically present in a particular residential real property.
- Emergency Executive Order 20-79 is Constitutional. [Heights Apartments, LLC, and Walnut Trails, LLLP v. Walz, No. 20-CV-2051, 2020 WL 7828818, Order on Motion to Dismiss and Motion for Preliminary Injunction \(D. Minn. Dec. 31, 2020\) \(Appendix PED-21\) \(Judge Brasel\).](#)

Coronavirus Aid, Relief, and Economic Security (CARES) Act § 4024

Part of the Act remains in effect.

A lessor (***of a covered property***) may not evict a tenant after the moratorium expires except on 30 days' notice that may not be given until after the moratorium period.

This provision is not limited to nonpayment of rent, and has no expiration date.

CARES Act § 4024 - Covered Properties

The Act defines a “covered property” as a property that:

- participates in a “covered housing program” as defined by the Violence Against Women Act (VAWA) as amended through the 2013 reauthorization, or participates in the “rural housing voucher program under section 542 of the Housing Act of 1949” (HUD and Rural Housing Service public and subsidized housing programs)
- has a federally backed mortgage loan or a federally backed multifamily mortgage loan

According to recent estimates, the CARES Act applies to as many as 50% of tenancies in Minnesota.

CDC Eviction Suspension Order

Centers for Disease Control and Prevention (CDC) Order - Temporary Halt in Residential Evictions to Prevent the Further Spread of COVID-19

<https://www.federalregister.gov/documents/2020/09/04/2020-19654/temporary-halt-in-residential-evictions-to-prevent-the-further-spread-of-covid-19>

The original order was set to expire on December 31, 2020, but Congress extended the order to January 31, 2021 in Sec. 502 of the Consolidated Appropriations Act of 2021. See Pub. L. 116-260, §502 (Dec. 27, 2020). The CDC then extended the order to March 31, 2021, 86 Fed. Reg. 8020 (Feb. 3, 2021), and has now extended it again in new Order effective through **June 30, 2021**.

[CDC Eviction Moratorium –Revised Analysis \(National Housing Law Project - downloaded March 30, 2021\)](#).

Congress is considering an extension through **September 2021**.

Biden Extends Eviction Moratorium until March 31: What Renters Should Know, (CNET Jan. 21, 2021) <https://www.cnet.com/personal-finance/biden-eviction-moratorium-what-renters-should-know-if-ban-extends-to-sept-30/> (viewed Feb. 11, 2021)

It declares a national moratorium on certain residential evictions for nonpayment (of rent, as well as other fees or charges) under the authority of 42 C.F.R. § 70.2

authorizing the CDC Director, upon a finding that state health authorities have not taken sufficient measures to prevent the spread of a communicable disease, to "take such measures to prevent such spread of the diseases as he/she deems reasonably necessary."

CDC Eviction Suspension Order - Considerations

It might not apply while Executive Order 20-79 is in effect, since Executive Order 20-79 generally provides greater level of public health protection (i.e. more than just nonpayment of rent cases).

However, one of the Executive Order 20-79 exceptions provides less protection by allowing the property owner to evict tenants to allow property owner or owner's family member(s) to move into the property.

If the courts interpret the CDC order as providing a "floor" of eviction protection, local moratorium provisions could be considered on a case-by-case basis and applied in addition to the CDC order where the local provision is more favorable to tenants.

Mortgage Foreclosures

On January 21, 2021, the United States Department of Housing and Urban Development (HUD) announced extension of its foreclosure and eviction moratorium for single family mortgages insured by the FHA or guaranteed by the Office of Native American Programs' Section 184 and 184A loan guarantee programs through March 31, 2021.

[https://www.hud.gov/press/press_releases_media_advisories/HUD No 21 008](https://www.hud.gov/press/press_releases_media_advisories/HUD_No_21_008)

On February 16, 2021, President Biden announced a coordinated Department of Housing and Urban Development, Department of Veterans Affairs, and Department of Agriculture extension and expansion of forbearance and foreclosure relief programs through June 30, 2021.

<https://www.whitehouse.gov/briefing-room/statements-releases/2021/02/16/fact-sheet-biden-administration-announces-extension-of-covid-19-forbearance-and-foreclosure-protections-for-homeowners/>

State executive orders did not suspend mortgage foreclosures or contract for deed cancellations, but they suspended eviction court actions based on foreclosures and cancellations unless they meet the exceptions.

Court Orders on Operations of the Minnesota Judicial Branch

- The Minnesota Judicial Branch continues to be in a transitional phase
- Hearings across all case types will be conducted remotely.
 - Exceptions may be granted for in-person proceedings under limited circumstances
- At least one counter service window must be open in each county and for the appellate courts during normal business hours
 - Some services may be provided remotely or by appointment only
- Face coverings are required in all court facilities
 - Visitors who do not have access to a face covering will be provided one
- Everyone in a court facility is required to maintain 6 feet social distancing
- All Minnesota Supreme Court and District Court pandemic orders are posted here:
<http://www.mncourts.gov/Emergency.aspx>

Minn. Session Laws 2020

Chapter 74, H. F. No. 4556 and Chapter 3, H. F. No. 114

A special session law suspended statutory deadlines for district and appellate court proceedings. It also provided that courts may continue to hold hearings, require appearances, or issue orders if "circumstances relevant to public safety, personal safety, or other emergency matters require action in a specific case." It expired on February 15, 2021. Minn. Session Laws 2020 Chapter 74, H. F. No. 4556.

<https://www.revisor.mn.gov/laws/2020/0/Session+Law/Chapter/74/>

Minn. Session Laws 2020 Chapter 3, H. F. No. 114 extended these provisions through April 15, 2021.

<https://www.revisor.mn.gov/laws/2021/0/Session+Law/Chapter/3/>

Courts can consider relaxing these deadlines in Minn. Stat. Ch. 504B, including:

- Minn. Stat. § 504B.285, Subd. 5 (rent into court in combined breach and rent evictions),
- Minn. Stat. § 504B.321 (eviction scheduling),
- Minn. Stat. § 504B.345 (eviction continuance),
- Minn. Stat. § 504B.325 (stay of eviction writ),
- Minn. Stat. § 504B.371 (eviction appeal),
- Minn. Stat. § 504B.375 (lockout motion by landlord and appeal),
- Minn. Stat. § 504B.385 (rent escrow action), and
- Minn. Stat. § 504B.401 (scheduling tenant remedies action).

Health Impact of Renewed Evictions During the Pandemic

A recent study tested whether lifting eviction moratoriums was associated with COVID-19 incidence and mortality. It concluded that:

[L]ifting eviction moratoriums was associated with significant increases in COVID-19 incidence and mortality in U.S. states, supporting the public health rationale for use of eviction moratoriums to prevent the spread of COVID-19. Lifting moratoriums amounted to an estimated 433,700 excess cases and 10,700 excess deaths during the study period (March 13-September 3).

Texas topped the list with estimates of 148,530 infections and 4,456 deaths.

K. Leifheit, S. Linton, J. Raifman, G. Schwartz, E. Benfer, F. Zimmerman, & C. Pollack, *Expiring Eviction Moratoriums and COVID-19 Incidence and Mortality* Abstract (November 30, 2020). The authors include professors from University of California, Los Angeles (UCLA), Johns Hopkins University Bloomberg School of Public Health, Boston University, University of California, San Francisco (UCSF) Institute for Health Policy Studies, and Wake Forest University School of Law.

Health Impact of Emergency Executive Order 20-79

Study co-author Dr. Leifheit has estimated infections prevented and lives saved between May and September in states that maintained their eviction suspensions. She estimated 22,200 cases prevented and 680 lives saved in Minnesota.

K. Leifheit, *State-level COVID-19 Cases and Deaths Associated with Eviction Moratoriums* (Dec. 2020) https://drive.google.com/file/d/1x8qezy_mXiaW7eKsU_D9zQnQYY0YMfgP/view (viewed Feb. 25, 2121)

The estimated 22,200 cases prevented and 680 lives saved in Minnesota does not cover the fall of 2020 when many states saw dramatic increases in infections and deaths.

Coronavirus in the U.S.: Latest Map and Case Count (New York Times Dec. 15, 2020) <https://www.nytimes.com/interactive/2020/us/coronavirus-us-cases.html> (viewed Feb. 25, 2121)

Health Impact of Emergency Executive Order 20-79

During the time span of the study, in Minnesota, from March 24, when the first Emergency Executive Order suspending evictions began, through September 3, Minnesota saw 1,834 deaths and 80,704 positive cases in just over 5 months.

Situation Update for COVID-19 (Minnesota Department of Health - viewed Feb. 25, 2121)
<https://www.health.state.mn.us/diseases/coronavirus/situation.html>

From September 4 through January 4, Minnesota saw another 3608 deaths and 342,455 positive cases in 4 months, *or twice as many deaths and over four times as many positive cases, for a total of 5,443 deaths and 429,022 positive cases.*

Situation Update for COVID-19 (Minnesota Department of Health - viewed Feb. 25, 2121)
<https://www.health.state.mn.us/diseases/coronavirus/situation.html>

It is reasonable to add twice as many saved lives and four times as many positive cases prevented to the summer estimate, totaling potentially 2,040 lives saved and 111,000 positive cases prevented through January 4, 2021.

Eviction Action Basics

Eviction actions are summary proceedings in that they move quickly before and after trial, although trials are no different than other civil trials.

They are governed by Minn. Stat. Chapter 504B

<https://www.revisor.mn.gov/statutes/cite/504b> as well as the common law of contracts and property.

Eviction Action Basics - Appearances

- Artificial entities like corporations and LLCs must be represented by counsel, except in housing courts in the 2nd and 4th district courts.
 - *Hinckley Square Associates v. Cervene*, 871 N.W.2d 426 (Minn. Ct. App. 2015); *Walnut Towers v. Schwan*, No. A07-1311, 2008 WL 4224462 (Minn. Ct. App. Sept. 16, 2008) (unpublished);

 - Minn. Stat. § 504B.285, subd. 1; Minn. Stat. § 481.02, subd. 3(13).
- The tenant or landlord may be represented by a person who is not a licensed attorney, except that person cannot conduct a jury trial or appeal and cannot charge or collect a separate fee for services rendered.
 - Minn. Stat. § 481.02, subd. 3(13).

Eviction Action Basics - Appearances

Effective March 1, 2021, eligible legal paraprofessionals under the supervision of a member of the bar, may provide advice to and appear in court on behalf of tenants in housing disputes as defined in Minn. Stat. Chapter 504B and § 484.014 (expungements) in district courts that have established a Housing Court or a dedicated calendar for housing disputes, except the Housing Court in the Fourth Judicial District.

Eviction Action Basics - Proof and Findings

- The plaintiff must prove claims supporting eviction by a preponderance of the evidence, and the court must make specific findings on the claims of the plaintiff.
 - *Chancellor Manor v. Thibodeaux*, 628 N.W.2d 193, 197 (Minn. Ct. App. 2001).
- The Minnesota Rules of Evidence, Civil Procedure, and General Rules of Practice apply to eviction actions
 - Housing Court rules of the General Rules of Practice apply only to the 2nd and 4th district courts.
- Hearsay statements in testimony or within documents should be excluded unless they meet an exception to the hearsay rule.
 - *Countryview Mobile Home Park v. Oliveras*, No. A04-160, 2004 WL 20049986 (Minn. Ct. App. Sept. 14, 2004) (unpublished).
- The parties and other lay witnesses have the right to testify about their observations without being experts.
 - *Stewart v. Anderson*, No. A06-1878, 2007 WL 2366528 (Minn. Ct. App. Aug. 21, 2007) (unpublished).

Eviction Action Basics - Complaint

- The plaintiff must plead in the complaint "the facts which authorize the recovery of possession."
 - Minn. Stat. § 504B.321; *Mac-Du Properties v. LaBresh*, 392 N.W.2d 315, 317, 318 (Minn. Ct. App. 1986).
- The state complaint form requires the landlord to plead compliance with Minn. Stat. § 504B.181, in that the landlord has disclosed:
 - the names and addresses of the authorized manager of the premises and,
 - the owner or agent authorized to accept service, and
 - posted said information in an obvious place on the property
- If names and addresses are not disclosed as required by the statute, the landlord must show that the tenant knew such information at least 30 days before the issuance of the summons.

Eviction Action Complaint form instructions

Eviction Action Basics - Methods of Service

Service must be complete at least 7 days before the first hearing

Minn. Stat. § 504B.331 (formerly § 566.06) provides:

- Personal service
- If the defendant cannot be found in the county, the summons may be served at least seven days before the date of the court appearance by leaving a copy at the defendant's last usual place of abode with a person of suitable age and discretion residing there
- Mail and posting sequence:
 - (1) Defendants cannot be found in the county,
 - (2a) For residential property, service has been attempted at least twice on different days, with at least one of the attempts between 6:00 p.m. and 10:00 p.m.,
 - (2b) For nonresidential property, no person actually occupies the property,
 - (3) A copy of the summons has been mailed to the defendant at the defendant's last address known to the plaintiff,
 - (4) The plaintiff or counsel files an affidavit (a) stating that the defendant cannot be found, or the affiant believes that the defendant is not in the state, and (b) that a copy of the summons has been mailed to the defendant at the defendant's last address known to the plaintiff, and
 - (5) Posting the summons in a conspicuous place on the property for not less than one week.

Eviction Action Basics - Service for Expedited Eviction Actions

Minn. Stat. § 504B.321

- Plaintiff requests an expedited procedure by affidavit
 - stating specific facts and instances under Minn. Stat. § 504B.171 (certain types of illegal activity), or
 - on the basis that the tenant is causing a nuisance or other illegal behavior that seriously endangers the safety of other residents, their property, or the landlord's property,
- Then the summons shall be served upon the tenant within 24 hours of issuance unless the court orders otherwise for good cause shown.

Eviction Action Basics – Strict Compliance and Server Requirements

Personal Jurisdiction and Proper Service of the Summons and Complaint

Strict compliance with service requirements, rather than mere substantial compliance, is a precondition to personal jurisdiction. *Koski v. Johnson*, 837 N.W.2d 739 (Minn. Ct. App. 2013).

Service by the plaintiff is improper. Minn. R. Civ. P. 4.02. In *Lewis v. Contracting Northwest, Inc.*, 413 N.W.2d 154 (Minn. Ct. App. 1987), the court explained the reason for precluding parties from serving process: “The law has wisely entrusted the decision of disputes between citizens to persons wholly disinterested and free from bias and the acrimony of feeling so frequently, if not uniformly, engendered by litigation; and the same is equally true of the persons selected to execute the process necessary to the adjustment of such disputes.” *Id.* at 155.

Eviction Action Basics - Scheduling

- Minn. Stat. § 504B.321
 - The first appearance shall be between 7 and 14 days from the day of issuing the summons.
- Expedited eviction action
 - the complaint and affidavit shall be reviewed by a referee or judge and scheduled for an expedited hearing only if
 - sufficient supporting facts are stated and
 - they meet the requirements of this paragraph, and
 - if so, the appearance in an expedited hearing shall be not less than five days nor more than seven days from the date the summons is issued.

Courts can relax these deadlines through April 15, 2021.

- Minn. Session Laws 2020 Chapter 3, H. F. No. 114.

Pandemic Eviction Action Court Administrative Orders

In the Second Judicial District, the complaint must state whether the property is governed by the Coronavirus Aid, Relief, and Economic Security (CARES) Act § 4024 and if so, whether the plaintiff provided the required 30 day notice, and that the plaintiff provided the Emergency Executive Order 20-79 notice to the tenant of the intention to file the eviction action. Non-emergency cases shall be designated confidential. [*Administrative Order Regarding the Resumption of Housing Court Operations* \(Minn. Dist. Ct. 2nd Dist. Equitable Considerations

In *Henry v. _____*, No. 33-CV-20-180 (Minn. Dist. Ct. 10th Dist. Oct. 30, 2020) (Judge Hiljus) (Appendix PED-2), the court found that the tenants materially breached the lease when they began demolition and remodel work, but at the hearing that there no longer was any significant damage. The Court concluded:

“A court cannot operate in a bubble. The COVID-19 pandemic is worsening throughout the country and in Minnesota. Infection rates are on the rise. The underlying purpose of this eviction moratorium is to protect the health and safety of not only tenants of rental units, but those elsewhere across the state. Tenants evicted from housing often move around, perhaps to family or friends’ houses, thus increasing travel and the potential for infection spread. The Court sympathizes with landlords and property managers across the state who do not have the options to regain possession they did before the pandemic and how this may be affecting their livelihood. The Court understands that the Plaintiffs in this case did not give Defendants permission to remodel any part of the property and in fact told them to stop. Plaintiffs will have remedies in conciliation court and housing court available to them once the eviction moratorium is lifted.”

Evictions Blocked

One year later, around that many are on hold. Some tenants have moved, some tenants have negotiated with their landlords, some tenants have received assistance, and some landlords were able to file eviction actions within the exceptions of Emergency Executive Order 20-79, perhaps lowering the number of blocked evictions, *if the economy is ignored.*

But, what about economy?

Unemployment

Unemployment is high.

The Minnesota unemployment rate in January 2021 was 4.5%, down from 7.6% in July 2020 and 11.3% in May 2020, but still up from 3.5% in March 2020.

Census Data and Eviction Estimates

As of March 10, 2021, out of 648,384 adult tenants estimated by the Census, it estimated:

- **116,756 (18.0%)** were not currently caught up on rent payments,
- **212,894 (32.8%)** were unemployed,
- **368,764 (56.9%)** experienced the loss of employment income of a household member,
- **105,625 (16.3%)** had no or slight confidence in the ability to make the next month's payment, and
- Of the 116,756 tenants estimated to not be currently caught up on rent payments, **65,339 (56.0%)** very likely or somewhat likely to leave home due to eviction in next two months.

Compare this with **16,000** eviction court actions statewide in 2017.

The Census data supports estimating the number of evictions on hold right now to well exceed the annual number. These evictions would overwhelm the legal services housing attorneys and the courts.

Property conditions and habitability

- Minn. Stat. §§ 504B.161, the landlord must maintain:
 - premises and all common areas are fit for the use intended by the parties,
 - the premises in reasonable repair, and
 - the premises in compliance with applicable state and local housing maintenance, health, and safety laws.
- Exception: where the violation was caused by the willful, malicious, or irresponsible conduct of the tenant or tenant's agent.

- The parties may not waive or modify the covenants.
- While the tenant may agree in writing to perform special repairs or maintenance if such agreement is supported by adequate consideration, the agreement does not waive the covenants.
- Paying rent into court: The defendant can provide security in one of three ways:
 - Pay into court "rent to be withheld" and "any future rent withheld" [rather than back rent],
 - Deposit such rents in escrow subject to appropriate terms and conditions, or
