

Know Your Rights and Immigration Resources

Members have reached out looking for what they can do in these times. We've worked with our member partners at various civil legal aid organizations and compiled this non-exhaustive list of opportunities:

Pro Bono Opportunities:

- **Volunteer Lawyer Network (VLN):** VLN has a new [Deportation Preparedness \(DP\) Volunteer Training Program](#) to help individuals with civil legal issues surrounding their immigration status. Volunteers advise clients who may be at risk of deportation regarding what steps they may take to mitigate the collateral consequences to themselves and their families such as arranging for someone else to manage their financial affairs via a power-of-attorney or care for their children via a delegation of parental authority. To sign up for DP work, volunteers should [complete the volunteer registration](#) and indicate interest in DP on that application. More information on DP Training:
 - **Time Commitment:** 1-4 hours, depending on the case and whether an interpreter is needed
 - **Level of Service:** advice and possibly brief services drafting power-of-attorney and delegation of parental authority forms.
 - **Experience required?** None. Entry-level cases are also available.
- Advocates for Human Rights ([Volunteer - The Advocates for Human Rights](#)) Volunteers who are interested in taking on a pro bono immigration case can get both the training and support they need from the Advocates for Human Rights. A list of cases that are available for placement are listed directly on their website along with the volunteer enrollment form.

Know Your Rights Resources

Here are links to short YouTube Know Your Rights (KYRs) videos that ILCM recently recorded with the Minnesota Attorney Look Up and ICE Detainer Locator websites referenced in the videos. They help people understand what to do if a loved one is detained by ICE and how to check immigration court information through EOIR. The videos are currently available in English and Spanish. Please feel free to share with your connections. The links are also on the ILCM Know Your Rights page: <https://www.ilcm.org/immigration-resources/know-your-rights/>
We are working on publishing the videos in Somali, Karen, and possibly Hmong as well.
